

GATEWAY GUIDANCE AT YOUR FINGERTIPS

Gateway helps your office and your patients navigate through insurance reimbursement for Monogram Biosciences® assays.

A continuum of support

Gateway provides the following coverage assistance.

- **Insurance Verification**

Gateway may be able to initiate or assist in submitting pre-certification requests for test coverage **prior to specimen collection**. In most cases, the results of the benefit analysis will be provided to you within 48 hours of receiving the necessary information.

- **Uninsured Patient Program (UPP)**

UPP is for uninsured patients and was designed to ensure patients who meet program criteria have access to testing that they need.

Gateway's dedicated staff is familiar with reimbursement logistics across the nation and can help with

- Verification of test coverage
- Requesting pre-certification for test coverage **prior to sample collection**.

The right therapy for the right patient at the right time. Monogram Biosciences believes strongly that

access to its virology assays should be available to all patients who would benefit from them. Gateway is just one more example of Monogram's commitment to advancing individualized medicine.

Tests Included in the Gateway Program

Test Name	Monogram Test Number	LabCorp Test Number
HIV-1 GenoSure Archive®	R6000	551776
HIV-1 GenoSure MG®	G5000	551697
HIV-1 GenoSure PRLme®	P5000	551700
HIV-1 PhenoSense GT®	V7000	551690
HIV-1 PhenoSense GT® Plus Integrase	M7000	551920
HIV-1 PhenoSense®	V3200	551800
HIV-1 PhenoSense Integrase®	S3200	550230
HIV-1 PhenoSense Entry®	E2000	550240
HIV-1 Trofile®	E3100	553100
HIV-1 Trofile® DNA	E3600	829670

HCV

HCV Genotyping	C1200	550475
HCV GenoSure® NS3/4A	C5000	550540
HCV NS5A Drug Resistance	C6200	550325
HCV Genotype 3 NS5A Drug Resistance	C6220	550603
HCV NS5B Drug Resistance	C6300	550505

Gateway: Coverage Review as easy as 1-2-3

Gateway has created a simple 3-step process for coverage review assistance.

1. **Call Gateway at 877-436-6243** prior to ordering a Monogram assay. The appropriate application forms will be faxed or emailed as requested.
2. **Complete the application forms** and return them to Gateway via fax, 888-369-0023.
3. **Receive notification** from Gateway of patient eligibility, typically within 24 to 48 hours.

Completing an Application

The following information requested on the application forms is needed to begin the Gateway process:

Provider Information	Patient Information
Provider name	Patient name
Contact person	Social Security number
Telephone and fax number of contact person	Date of birth
Type of test requested	Patient diagnosis code
	Insurance information for all insurance plans, including state and federal programs in which the patient participates

The **right therapy** for the **right patient** at the **right time**.

Call Monogram's Gateway program at **877-436-6243** for more information about our 3-step process for coverage review assistance.
